Thank you being a part of **Bach and Sons**. We hope you enjoy our program and gain a new understanding and appreciation for the music of Johann Sebastian Bach and his talented sons.

Please join us following the concert at our *Pro-Motion Music* table where you can purchase various CDs, music, Jeannine's book, *On the Heels of an Organist*, and even a coloring book telling the *Bach and Sons* story.

Our *Bach and Sons* CD includes Jeannine's performance of the full-length pieces from our program. This CD was recorded in the "Bach region" of east central Germany. The historic organs you will hear on the recording date from 1621. Included on the CD are the *Toccatà, Sleepers Wake, Jesu Joy*, the *St. Anne Fugue* and other of marvelous pieces from the program.

Our newest CD, *The Chorales of Martin Luther*, was recorded last summer in the historic Lutheran city of Wittenberg, Germany on the organs at the Stadtkirche and Schlosskirche. We recorded this CD to join the *Luther Decade* celebration leading to 2017, the 500th anniversary of Luther's 95 Theses and the beginning of the Protestant Reformation.

We invite you to visit our websites at www.promotionmusic.org, and www.bachandsons.com to learn more of our work. Thank you again for taking this musical journey with us to discover the music and world of *Bach and Sons*. ---- Jeannine and David

About the Artists: Jeannine is a champion of the organ and its music. She has traveled throughout the US and the world promoting and sharing organ music through her innovative concerts. As a professional organist Jeannine enjoys a varied career. Besides concertizing and recording, Jeannine has held university teaching positions and has served in a variety of positions in church music ministry. She is also the President and founder of *Pro-Motion Music*—a company celebrating the world of the organ. Dr. Jordan was awarded the Doctor of Musical Arts degree in Organ Performance and Music History from the University of Oregon.

David Jordan, a skilled pianist with a Master of Music degree in composition from Ball State University, is also a media artist. Whether creating the visual portion of the Jordan's organ and media events or enhancing photographs digitally, his work inspires and mesmerizes its viewers. The Jordans make their home on the beautiful Oregon coast in Lincoln City.
